

One little green frog in a pond am I;
Hoppity, hoppity, hop.
I sit on a leaf high and dry
And watch all the fish
As they swim by -
Splash! How I make the water fly!
Hoppity, hoppity, hop.

A little brown rabbit
popped out of the ground,
Wiggled his whiskers
and looked around.

Another wee rabbit
who lived in the grass
Popped his head out
And watched him pass.

Then both the wee rabbits
went hoppity hop,
Hoppity, hoppity, hoppity, hop,
Till they came to a wall
and had to stop.

Then both the wee rabbits
turned themselves around,
And scuttled off home
to their holes in the ground.
